VOLUME LXIV FIRST IN SERVICE TO READERS

ANTIOCH, ILLINOIS, THURSDAY, FEBRUARY 23, 1950

FIRST IN RESULTS TO ADVERTISERS

NUMBER 30

Start Local Drive Today To Obtain \$1500 Quota For American Red Cross

Volunteers Sought to Aid Committee and Club Solicitors

The campaign to raise \$1,500 for the Red Cross society in Antioch township originally set for Sunday was started today.

Waukegan jumped the gun and other communities are following suit in the rush to get the drive completed.

Members of the local committee headed by Fred Oschmann of Lake Catherine, met last evening in planning the campaign.

William Brook will supervise the solicitation in the business districts, and Mrs. Maurice Radtke, of the Antioch Woman's club will be assisted by her club members in the solicitations in the residential, rural, and subdivision areas.

The work will not be limited to the one organization Oschmann said, and he asked for volunteers from any source whatsoever.

Contributions may be mailed to Brook who will serve as the treasurer of the local organization, or to other members of the committee.

Telephone Operators Here Take Strike Vote; President Asks Truce

President Truman stepped into the scene yesterday in asking the Communication Workers of America to delay for 60 days a telephone strike set for tomorrow.

Mrs. Elaine Palm, steward of the union in which the Antioch telephone operators are members said that 22 of the 25 members cast their ballots Tuesday. Voting was secret and the ballots were sent to Chicago for counting.

The present strike threat involves the Western Electric workers, the mechanical side of the telephone system.

Mrs. Palm said that if they should go on strike and send pickets to the local office the telephone operators would not cross the picket line, thereby tying up local service.

In the last telephone strike emergency service was maintained.

William Chandler Again Heads Fair Association Place Still Big Problem

William Chandler, Gurnee, was again elected president of the Lake County Fair association at the organization meeting of the Board held at the Farm Bureau hall in Grayslake on Feb. 9.

Other officers elected to serve for the year are Earl Kane, Jr., Vice president; Walter Krumery, Treasurer; Richard Warfield, Secretary. These officers were elected at the annual meeting of the Fair association on Jan. 8.

At this annual meeting, three directors were elected to serve for a 3-year term, 3 for a two-year term, and 3 for a one-year term. Those elected for 3-year terms were Win. Chandler, Gurnee; Earl Kane, Jr., Mundelein; Floyd Hutchings, Mundelein. Those elected for two-year terms were C. W. Wray, Wadsworth, Walter Krumery, Grayslake; E. E. Elsbury, Gurnee. The one-year term directors were Wm. Wirtz, McHenry, D. H. Minto, Antioch, Richard Warfield, Wauconda.

One of the main problems of the Fair Association Board of Directors will be selecting a suitable site for the 1950 fair. Adequate space for exhibits, parking and availability of utilities constitute some of the chief problems involved in securing a site.

Rescue Squad Gives Aid In Car-Truck Collision On Rte. 59 at Grand Ave.

The Antioch Rescue squad gave first aid and ambulance services to Robert Hackle, 66, of Big Silver Lake, Wis., after his car and a truck driven by Marvin Walker collided a short distance north of Grand Ave., on Rte. 59 Tuesday afternoon.

Sheriff's deputies said that Hackle was hurled from his automobile onto the pavement by the impact. He suffered chest injuries.

The accident occurred during a blinding sleet storm. Walker said he was unable to avoid the accident.

Local Parcel Post Service Increased by Extra Dispatch

Additional service for the carrying of parcel post is announced this week by Postmaster Roy Kufalk. The 7:20 p. m. train from Chicago which hasn't in the past carried mail will do so for the time being and the same will be true for the 6 a. m. train bound for Chicago.

This means that delivery of parcel post will be speeded up. The truck is still operating on an every-other-day delivery of first class mail and papers except that it goes into Chicago Sunday morning instead of Sunday evening.

The reduced service was made necessary last week because of coal shortage and the removal of trains.

Antioch Will Play in District Semi-Finals At Barrington Tonight

Beats Northbrook 42 to 37 In First Round of Play Tuesday

Antioch High school's basketball team will play in the semi-finals of the district basketball tournament at Barrington this evening playing the Bronchos by virtue of a victory over Northbrook Tuesday evening.

The Sequoits after having twice been beaten by Northbrook rose up with a vengeance in the first round of the district tourney and whacked the Cook county boys to the tune of 42 to 37.

After leading at the half 24 to 18 Antioch played a strong defensive game and held off a last minute Northbrook rally.

Cardiff was high scorer for the Sequoits with 13 points.

Barrington had little trouble in beating Lake Forest. The Bronchos coasted in on a 50 to 26 score. They have beaten Antioch twice before this season, but like Northbrook may find tougher opposition from the Sequoits tonight, especially if they become too confident.

Grant defeated Wauconda 52 to 44 and played Grayslake who drew a bye.

Antioch (42)

	B	ft	p	f

G. Haviland, f	3	2	3	
TOTALS	15	12	17	

Northbrook (37)

	B	ft	p	f
Rodney, f	3	1	3	
Hulta, f	1	1	2	
Hacker, c	4	0	2	
McWilliams, g	2	3	4	
Cusker, g	2	2	4	
Shilkus, f	1	0	4	
Schmidt, g	1	2	1	
TOTALS	14	9	20	

Officials: Mike Rose, Robert Young

Northbrook got hot on the basket during the third quarter of last Friday night's game with Antioch at Northbrook and took the game 52 to 44.

The score at the half was 24 to 22 in Northbrook's favor, but at the end of the third quarter it was 44 to 29.

High scorers for Antioch were Wilton, 10; T. Haviland, 10; B. Haviland, 8; Cardiff, 6; and for Northbrook, Rodney, 14; McWilliams, 8; and Shilkus, 15.

Poulos and Lubkeman for Antioch and Hulta, McWilliams and Hacker for Northbrook fouled out. The Antioch Papoose also lost to Northbrook's underclass team.

Mrs. Viezens, 88, Passed Away Sunday

Mrs. Lena Viezens, 88, 680 North Main street, died February 19, following several years of failing health. Mrs. Viezens was born in Chicago, November 9, 1861, the daughter of the late Friedrich and Ulrike Hardt.

She came to Antioch thirty-one years ago.

Survivors are a daughter, Mrs. Elsie Gollwitzer, of Antioch, and two sons, Harry, of Chicago, and Herbert of Plainfield, New Jersey, four grand children and five great grandchildren. Her husband, Paul, preceded her in death a few months ago.

Funeral services were held Wednesday, Feb. 22, at the Spreyene Funeral Chapel at 7507 Stony Island Avenue, Chicago. Burial was in Mt. Greenwood Cemetery.

Bids on Public School Addition to Be Opened By Board on March 26

Bonds Issued Four Years Ago Now to be Used as Big Advantage

Bids for the construction of the new addition to the Antioch public grade school will be opened by the board of education Tuesday evening, March 21, Principal Richard Whitacre announced.

A decision to let the contract this year was made recently with the acceptance of the working drawings of the architects Ganster and Henninghausen of Waukegan.

The addition calls for two classrooms, one of which will be constructed for kindergarten pupils; a cafeteria and kitchen; combined gymnasium - auditorium; shower rooms and storage.

The auditorium will be just back of the newer part of the present building.

The present building was so constructed that one section now used as a hall can be made the stage of the auditorium just by removing the wall between the two additions.

It was on March 26, 1946 that the district voted a bond issue of \$146,000 to make the improvements. At that time the costs of building were so high the school board decided to wait a while and so deposited the \$146,000 in the Federal Reserve bank at interest.

The Sequoits after having twice been beaten by Northbrook rose up with a vengeance in the first round of the district tourney and whacked the Cook county boys to the tune of 42 to 37.

Cardiff was high scorer for the Sequoits with 13 points.

Barrington had little trouble in beating Lake Forest. The Bronchos coasted in on a 50 to 26 score. They have beaten Antioch twice before this season, but like Northbrook may find tougher opposition from the Sequoits tonight, especially if they become too confident.

Grant defeated Wauconda 52 to 44 and played Grayslake who drew a bye.

Martha Tweed Hucker Dies in Grayslake

Martha Tweed Hucker, 87, 122 Park Avenue, Grayslake, died Tuesday, February 21, at her home, following a lingering illness. She was born June 30, 1862 in Grant Township, the daughter of the late John and Barbara Tweed, pioneer residents of Lake County. She spent her childhood in Grant Township, moving to Avon Township where she resided until moving to Grayslake in 1917. She was member of the Grayslake Methodist church and the Home Bureau. The Huckers celebrated their golden wedding anniversary on August 15, 1938.

Survivors include her husband, Charles W. of Grayslake and two daughters, Mrs. William Leng, of Lake Villa and Mrs. George Haake of Waukegan.

Funeral services were held today (Thurs.) at 2 p. m. at the Strang Funeral Chapel in Grayslake. The Rev. Stephen Liddecoat officiated. Burial was in Avon cemetery.

(Continued on page 10)

Rescue Squad May Soon Get Two-Way Radio as Part of County System

The Antioch Rescue squad is expecting to get a new two-way radio for its new truck as a part of the county-wide police radio system established by the county under direction of the sheriff's office.

The old truck had a set, but when the wave length was changed it fell into disuse. None was ever put into the new truck awaiting the new system.

The county now has its radio station Libertyville.

The larger police stations and all of the county and city patrol cars will soon be a part of the two-way radio system which will be one of the best in the state.

Minneapolis Teacher Inspects High School

Miss Mildred Prochek, home economics teacher in the University high school at Minneapolis, Minn., visited the Antioch Township high school Tuesday in inspecting its home economic department.

Miss Prochek came to Chicago to get ideas for a new building to be erected for her school. She was told that the Antioch school has one of the latest types of combination cooking and sewing rooms and she came here to see it. She spent half a day in the department.

Survivors are a daughter, Mrs. Elsie Gollwitzer, of Antioch, and two sons, Harry, of Chicago, and Herbert of Plainfield, New Jersey, four grand children and five great grandchildren. Her husband, Paul, preceded her in death a few months ago.

Funeral services were held Wednesday, Feb. 22, at the Spreyene Funeral Chapel at 7507 Stony Island Avenue, Chicago. Burial was in Mt. Greenwood Cemetery.

The unusual and startling picture,

"Prejudice" will be shown at the Sunday Evening Hour of The Methodist Church Sunday evening at 7 o'clock. The picture, produced by the Protestant Film Commission has received wide acclaim across the nation.

The film is a daring adventure in self-examination and is intended to help the average person to understand some of his hidden prejudices, how he came by them and how to overcome them.

The National Board of Review calls the picture, "The most mature and convincing study of the subject yet filmed." Parents magazine calls the picture "Excellent". Walter Winchell has said that it "Hits harder than 'Gentlemen's Agreement' and 'Crossfire'." One Hollywood magazine describes the photography as "excellent" and the musical score of "major status."

What gives the picture its special power and appeal is that the problem is presented from a moral and religious angle. It is a courageous attempt to get at the roots of intolerance deep within the human mind and destroy them by exposing them to the light of truth and love as taught by Jesus.

Starting in some unaccountable manner from a hot air flue, fire burned a small hole in the flooring and damaged a seat beyond use before it was discovered and extinguished through the use of a hand operated chemical by the Antioch department.

The theatre had just opened and customers had just begun to arrive when smoke issued from the area of the hot air shaft near the front and side of the room.

Secretary Clarence Shultz of the fire department said the loss probably would be about \$35.

The department made a run to the Brown farm on Rte. 173 east of the village at 12:10 p. m. Sunday in extinguishing a blaze that ruined the interior of the Hudson automobile of Edward Imboden, Zion, known in Antioch as Eddie the Tailor.

Imboden was in the Brown house when a passerby told him his car was afire. The cause is not known.

You're Safe on a Train

At the last session of Congress, legislation was proposed which would, in effect, have given the government vague and sweeping authority over railroad practices and regulations that are involved with safety. Inasmuch as the safety factor enters directly or indirectly into every phase of railroad operation, this legislation, had it passed, would have provided power-hungry bureaucrats with a field day.

Fortunately, it didn't get anywhere, but such proposals have a habit of turning up again and again, like the proverbial bad penny. So it would be a good idea for the public to learn just how safe the railroads are.

Railroad safety was covered graphically by a Houston Press staff writer who had interviewed a railroad spokesman. He said: "You're safer in those plush super trains that whisk you across the countryside at 90 miles an hour than you'd be with an inside straight at your club . . . If your life depended solely upon your immunity from passenger train accidents—while you're a passenger—your life expectancy would be 20,000 years, or 20 times the age of Methuselah . . ."

In 1948, the number of people killed in train accidents was the smallest for any of the 61 years for which the Interstate Commerce Commission has kept records. And 43 per cent of last year's fatalities were persons involved in highway crossing accidents, while 35 per cent of the deaths came to trespassers on railroad property.

No form of fast comfortable transportation ever devised is as safe as the railroads.

The Right to Speak

The great strength of the United States is derived in no small part from the sharp public scrutiny under which officials of the government must constantly live. We are not a nation of blind followers. We do not recognize the concept of the superman. Even in the military establishment, from the most inconspicuous enlisted man to the highest general or admiral, initiative and resourcefulness are expected. If national security and common sense require a deviation from the pattern of tradition, an American does not hesitate. Tradition takes a back seat and on occasion the rules are stretched.

Congress, in typical American fashion, recently conducted an investigation in an effort to get to the bottom of the armed forces and inter-service controversy. Top level Army, Air Force and Navy officers were called to the witness stand. The Navy did not agree with the views of the other services. Navy witnesses spoke as citizens who were concerned over the future defense of the country. Regardless of whether one shared their opinions, the fact remained that they were testifying at the request of congressional representatives of all the people. It was the scrutinizing process of the people at work. Within a few days, Admiral Denfeld, Chief of Naval Operations, was removed from his post with "brutal directness." The obvious conclusion was that he had been removed because of his testimony, although this was denied. It appeared to be the price he was forced to pay for telling the truth as he saw it at the demand of Congress. His removal under such circumstances established a precedent of censorship that is a repudiation of a fundamental right of the people in this country—the right to examine and criticize the policies and activities of their public servants and government, without fear of reprisals.

Penalizing Price Reductions

One of the most destructive ideas now held in high official circles is that size is, per se, an indication that a business is wicked and should be broken up. A perfect example of that theory is found in the government's antitrust suit against the largest chain store system in the country.

In an attempt to make its case, the government attorneys argue that this chain is a monopoly which

try to accept the resignation of Mrs. O. L. Hollenbeck due to ill health.

Mr. and Mrs. Clifford Weber and daughter, Diane, of Winthrop Harbor were dinner guests at the Frank Hauser home Sunday.

The Couple's Club met at the church Tuesday evening with Mr. and Mrs. Ross Herman, Mr. and Mrs. Will Jones and Mr. and Mrs. Howell Kenimer in charge of refreshments, games and silent auction.

The Mylo club met at the home of Mrs. Homer White Thursday evening with Mrs. Don Truax as co-hostess.

Mr. and Mrs. J. S. Denman and family were supper guests at the Earl Kane, Jr., home at Diamond Lake Sunday evening in honor of Barbara Kane's 8th birthday anniversary.

Mr. and Mrs. Charles Mills and son, Stevie, of Waukegan, Mr. and

Mrs. Gordon Wells and Mrs. Nettie Wells, of Hickory, spent Sunday afternoon at the Savage home.

Mrs. Ray Hauser and sons, Jimmie and Ned, of Stephenson, Mich., spent several days with her sister, Mrs. James Bonner, at Kansaville, Wis., and spent the weekend with her parents, Mr. and Mrs. H. M. Clark. Other guests for dinner Sunday at the Clark home were Mr. and Mrs. James Bonner, of Kansaville, Mr. and Mrs. Walter Foun-

MILLBURN

Rev. L. H. Messersmith has chosen the subject "Stumbling Blocks" for his sermon at the 11 o'clock church service Sunday, Feb. 26.

Mr. Berkley Pugh, a World Fellow student at the Chicago Theological Seminary from India, will be the guest speaker at the first special Lenten service Sunday evening, Feb. 26 at 7:30 o'clock. These services, sponsored by the Pilgrim Fellowship are for the entire community. Come and bring your friends.

Fun Night for the teen agers will be held at the Church Thursday evening from 7 to 9.

Mr. and Mrs. Ed Druse, of Grayslake, spent Sunday afternoon at the Ed Hoffman home.

Millburn unit of Home Bureau met at the home of Miss Vivien Bonner Friday afternoon, Feb. 17, with Mrs. Gordon Bonner as co-hostess for the dessert luncheon at 1:15 p.m. Interesting reports from "Farm and Home Week" Feb. 6-9 were given by the delegates Mrs. Roy Bolton and Mrs. Lyman Thain. The major lesson "Food for the Ageing" was given by Mrs. Arthur Becker, illustrating her talk with charts. Mrs. Dostalek and Mrs. Wetzel gave the minor lesson on Care of House Plants. Announcement was made of the annual meeting of Lake Co. Home Bureau at the Methodist church March 14. The unit was sor-

A Special Invitation

To All Television Owners and Viewers

To tune in Channel 4 on Saturday night at 8:30 p.m. and Channel 5 on Sunday night at 9:30 p.m. to see and hear a very fine program.

A program in which I am vitally interested

Sincerely yours

Amiel L. Feyerabend

strangles and prevents competition. Yet everyone with eyes to see must know that is not true. This particular chain has stores in a great many cities and towns. In every one of them it must compete directly with independently owned local stores and, in most localities, with other chains. No one has to trade with it—the consumer, if he doesn't like it or thinks he can get a better buy elsewhere, simply moves on down the street and takes his business to the store of his choice. This is proven by the fact that thousands of other stores, operating in the territory served by the chain, are prospering and expanding.

The government's brief also criticizes the chain for cutting prices. This will seem a strange point of view to housewives whose biggest headache is making both ends meet in these high-cost days. Competition, in any field, always leads to lower prices, better service, improved qualities, or some other consumer advantage, and that is why it is a healthy economic force. Our past conception of monopoly was a concern that got a strangle hold on the supply of a product and used this power to exploit the buyer.

The only reasonable explanation for this suit is that it is an attempt to make size a crime. That point of view, once accepted, could destroy our economic strength.

* * *

The great strength of the United States is derived in no small part from the sharp public scrutiny under which officials of the government must constantly live. We are not a nation of blind followers. We do not recognize the concept of the superman. Even in the military establishment, from the most inconspicuous enlisted man to the highest general or admiral, initiative and resourcefulness are expected.

If national security and common sense require a deviation from the pattern of tradition, an American does not hesitate. Tradition takes a back seat and on occasion the rules are stretched.

Congress, in typical American fashion, recently conducted an investigation in an effort to get to the bottom of the armed forces and inter-service controversy. Top level Army, Air Force and Navy officers were called to the witness stand. The Navy did not agree with the views of the other services. Navy witnesses spoke as citizens who were concerned over the future defense of the country. Regardless of whether one shared their opinions, the fact remained that they were testifying at the request of congressional representatives of all the people. It was the scrutinizing process of the people at work. Within a few days, Admiral Denfeld, Chief of Naval Operations, was removed from his post with "brutal directness." The obvious conclusion was that he had been removed because of his testimony, although this was denied. It appeared to be the price he was forced to pay for telling the truth as he saw it at the demand of Congress. His removal under such circumstances established a precedent of censorship that is a repudiation of a fundamental right of the people in this country—the right to examine and criticize the policies and activities of their public servants and government, without fear of reprisals.

taine and Mr. and Mrs. Clayton Engh.

The Ladies Aid Society will meet at the church Thursday, March 2. Cafeteria dinner will be served at noon by the March committee with Mrs. Frank Edwards as chairman, assisted by Mrs. Harley Clark, Mrs. Herbert Messmer, Mrs. Howell Kenimer, Mrs. J. Kaluf, Mrs. Ernest Wells, Mrs. Ernest Peyer, Mrs. Wm. Thompson and Miss Helen Thompson. The business meeting will be held in the church parlor at 2 p.m. with Mrs. A. G. Hughes in charge of Devotions and Mrs. Emmet King will give the program using the book, "Japan begins Again."

The "Young Americans" club, of Millburn school is sponsoring a sound movie "Wildfire" to be shown in the recreation room Friday evening, Feb. 24 at 7:30 p.m.

The Millburn Men's club is sponsoring an old-fashioned box-social at the church Saturday evening at 8 o'clock. Wm. Chandler has been engaged to sell the boxes, and music for the square dancing will be furnished by Clarence Harris family.

The annual Father and Son banquet sponsored by the Mylo club will be Tuesday evening, Feb. 28, at

7:30. Reservations must be made with Lois Doolittle, Antioch 174-M or Alice Bauman, Lake Villa 3133 before Sunday, Feb. 26.

LAKE VILLA

The Woman's Society of Christian Service will meet Wednesday afternoon, March 1, with Mrs. Frank Hamlin at her home for dessert luncheon, followed by a devotional period and a business meeting. Visitors are always welcome.

The Official Board of the Community church held a business and social meeting at the home of Mrs. Marie Hamlin on Wednesday evening. A new furnace is being installed at the parsonage with the various church organizations contributing to the cost and the men of the Board have been installing it.

Mrs. Walter Schneider, her daughters, Mrs. Gordon Blumenschein and Arlyn Schneider were Kenosha shoppers last Friday.

Mrs. Albert Kapple entertained the ladies of the Sewing Club at a luncheon at her home last Thursday.

Mr. and Mrs. Wm. Weber spent Sunday and Tuesday in Chicago on business and on Wednesday left on a trip South, which will include stops at Brownsville, Tex., then going on to Tucson, Arizona, and expect to be back home in less than two weeks. On Saturday evening they entertained Mr. and Mrs. Theodore Engh, of Wadsworth, Mr. and Mrs. Clayton Engh and daughter, also Mr. and Mrs. Walter Fontaine and son, of Millburn and Mr. and Mrs. Richard DuSault and son, of Winthrop Harbor at dinner at their home. The Senior Mrs. Engh has recently returned from a trip to Spain, where she spent a month with her son, who is stationed there.

Mr. and Mrs. John Servella, of Waukegan, were guests of Mr. and Mrs. Lester Hamlin last Sunday afternoon.

Twelve little friends spent the afternoon of Valentine Day helping Bernie Ray Schneider celebrate his 5th birthday anniversary. In the evening a supper party was enjoyed

CHRISTIAN SCIENCE CHURCHES

The subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, April 2, will be:

"UNREALITY"

The Golden Text is:

"Surely God will not hear vanity, neither will the Almighty regard it" (Job 35: 13).

Among the citations which comprise the Lesson-Sermon, the following are from the Bible:

"A good tree cannot bring forth evil fruit, neither can a corrupt tree bring forth good fruit. Every tree that bringeth not forth good fruit is hewn down, and cast into the fire. Wherefore by their fruits ye shall know them" (Matt. 7: 18-20).

The Lesson-Sermon also includes the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy:

"All reality is in God and His creation, harmonious and eternal. That which He creates is good, and He makes all that is made... We learn in Christian Science that all inharmony of mortal mind or body is illusion, possessing neither reality nor identity though seeming to be real and identical... Error is false, mortal belief; it is illusion, without spiritual identity or foundation, and it has no real existence... Truth cannot be contaminated by error. The statement that Truth is real necessarily includes the correlated statement that error, Truth's unlikeness, is unreal" (pp. 472, 287).

All my life I've let my Insurance Agent do my WORRYING

I overheard a man say that the other day and while I don't know the gentleman, I said to myself—"Good for you. There would be a lot less illness, fewer financial troubles, fewer premature deaths, and a heap more peace of mind in this peculiar world of ours, if everybody did that same thing."

We'll be glad to do your worrying.

OUR ADVICE COSTS YOU NOTHING

by his grandparents, Mr. and Mrs. Walter Schneider, aunt and uncles, Arlyn, Millard and Walter Schneider, Jr., and Fred Teltz.

The pinocchio club met Tuesday afternoon this week with Mrs. Henry Nader at her new home on Sherwood Ave., for pot luck dinner and followed by cards in the afternoon.

Mr. and Mrs. Joe Nader, Sr., returned home last Friday from a very pleasant trip south. They visited at Hot Springs, Ark., for the treatments and went as far south as Mexico and were gone nearly six weeks.

Mrs. Delbert Sherwood entertained the pupils of her large music class at a Valentine party at her home on the afternoon of Valentine Day. Games were played, refreshments served and each one received a favor.

Mr. and Mrs. Willard Keefe and Mrs. Ella Carlson, of Waukegan, were guests at the Charles Hamlin home on Sunday afternoon.

The 500 club met last Saturday evening with Mr. and Mrs. Clarence Blumenschein at their home, and Mr. and Mrs. Jake Fish, Leo

Barnstable, Mrs. Anne Nelson and Mr. and Mrs. Herman Kelsler were the prize winners.

The Halcyon group met at the home of Dorothy Langbein, Feb. 16. The play to be presented Feb. 24 and 25, "Brides to Burn" was under discussion during the business meeting. Later they were privileged to hear Mrs. Marion Rigby, Antioch Librarian, give a book review. She chose the book "The Parasites" which was enjoyed by all. Lunch was served by hostesses Charlotte Weber, Verna Bennecke and Dorothy Bennecke.

Rehabilitation

The Salvation Army, in a year-round program, seeks both the rehabilitation of the man behind the walls and his family outside. When he has served his sentence The Salvation Army offers ready help with a job, clothes, tools and the opportunity to take a productive and responsible place in society again. Nearly 6,000 men and women were paroled in the care of Salvation army prison workers last year.

AUCTION

1 mile west and 2 miles south of Kenosha, 2 miles south of Hwy. 50 and 1 mile east of Hwy. 31 on the Town Hall Road on the farm known as the Old Meyers Farm.

SATURDAY, FEBRUARY 25, AT 12:30 O'CLOCK

26 HOLSTEIN CATTLE—21 MILCH COWS—9 fresh (7 with calf by side), 2 close springers, balance milking good. 3 Holstein heifers, 11 mos. old. Holstein bull, 1 year old; Holstein bull, 2 years old.

2 HORSES—Matched team of grays, 8 and 9 years old, weight 2900 lbs.

DAIRY EQUIPMENT—Universal single and double unit milking machine complete with motor, pump and pipes; 18 milk cans (some like new); elec. water heater; pails; strainer; etc.

PRODUCE—200 bushel oats; 10 ft. silage; 28 ft. silage in 14 ft. silo. TRACTOR AND FARM MACHINERY—Model H McC. Farmall tractor, on rubber with PL, starter and lights (3 years old); 2-bottom 14 inch tractor plow; 7 ft. tractor disc; McC. 7 ft. tractor disc; 10 inch quack digger, like new; Case corn planter with fertilizer and bean attachment; New M-II silo filler with 50 ft. pipe; Case hammer mill; McC. manure spreader; 2-section wood drag; 3-section springtooth; New Idea push type hay loader, new; 2 McC. 6 ft. mowers; side rake; steel wheel wagon and rack; dump rake; tank heater; 3 steel water tanks; 150 ft. hay rope; hay fork and pulleys; forks; shovels and many other articles too numerous to list.

SOCIETY EVENTS

ST. IGNATIUS ANNOUNCES LENTEN SCHEDULE

The Lenten schedule of Services and activities at St. Ignatius church has been announced. This will include a regular Wednesday celebration of the Eucharist at 8 a.m. with the Lenten Luncheons given by the ladies each Wednesday at noon in the parish house. Following the Wednesday morning Eucharists, there will be a short Service of Healing and Prayer Cell meeting.

On Thursdays the Lenten Mission Services will be held at 8 p.m., with the Rev. Dr. Jamieson, Assistant Priest at St. Ignatius' officiating, and the following Lake and McHenry County clergy preaching the sermon. The schedule is as follows:

Mar. 2, Father Williams of S. Michael's, Barrington, who will preach on "Prayer and Miracle".

Mar. 9, Father Dugleby of Christ Church, Harvard ("Repentence").

Mar. 16, Father Liebenow of St. Andrew's, Grayslake ("Faith and Belief").

Mar. 23, Father Platt, of St. Mary's, Crystal Lake ("The Bible").

Mar. 30, Father Hull of St. Paul's By-the-Lake, Chicago.

The sermon theme is on "The Life of the Early Church," relating the practices of the primitive church with those of today. While these Services are being held at St. Ignatius' Fr. Ehrhart will be preaching elsewhere. There will be no offering taken at these Missions; the public is most cordially invited to attend. The St. Ignatius' Girls choir will sing the Office of Daily Evening Prayer, and hymns will also be sung.

On Fridays, a Lenten Service for children will be held at 4 p.m. This will be "The Way of the Cross," a teaching service. So that the children can come immediately after school, milk and cookies will be served in the parish hall from 3:30 to 4:00. Adults are also welcome to attend.

SUNDAY LAYMEN'S DAY IN METHODIST CHURCH

Layman's Sunday will be observed at the Methodist church in Antioch on Sunday morning at the 11 o'clock service. Three men of the church will participate in the worship service. They are M. C. Cain, the Lay Leader, Mr. Arthur Knudsen and Mr. Charles B. Watson. The minister, the Rev. G. Richard Tuttle will bring the morning message which will be in observance of Commitment Day traditionally known as Temperance Sunday.

BENEFIT CARD PARTY, MARCH 8th

A benefit card party will be held by the Lioness club of Fox Lake at Meyer's Annex, Grand and Forest Avenues, Wednesday night, March 8, for the Jack Borsen family.

Mr. Borsen, a laundry driver, recently lost his truck and entire contents in fire. The loss was not covered by insurance.

The young ex-marine and his wife have three small children of their own and are caring for two others. The benefit is being held to tide the family over until he can find other employment and to help him pay the claims of customers losing clothing in the fire. Anyone wishing to donate prizes for the party should contact Lioness Millie Surata at Fox Lake 7-1464.

FOX LAKE LIONESS CLUB SERVES 300 DINNERS

Members of the Fox Lake Lioness club wish to express their appreciation for the splendid turnout at their first annual smorgasbord Feb. 14 at Mincola hotel. Nearly 300 dinners were served despite the sleet and snow storm which made driving and walking hazardous. Profits from the dinner will be used to promote a worthy civic project.

The Intermediate M. Y. F. group of the Methodist church will hold a meeting at 5:30 (instead of 2:30) Sunday, February 29. Everyone requested to bring 10¢ and their own table service. There will be movies at the church at 7 o'clock.

The next meeting of the 4-H Clover Club will be held at the home of Miss Joan Paddock, Feb. 27. The last meeting was held at the home of Joan and Sheryl Mair. Plans were made for a valentine party which was cancelled due to the bad weather.

Mrs. Gertrude Dunning, who was injured in a fall on the ice recently is convalescing at her home on Orchard Street. Mrs. Dunning is an employee at Williams Department store.

Mr. and Mrs. Alonzo Runyard and Mrs. William Runyard were guests Sunday of Miss Billie Runyard, Waukesha, Wisconsin. Billie is the daughter of Mr. and Mrs. Alonzo Runyard.

Mrs. Chris Laursen returned to her home in Riverside, California, recently after spending the past two months with her daughter, Mrs. Wilson King and family in Antioch and other relatives in Minnesota.

AUXILIARY TO HOLD
BIRTHDAY POTLUCK
SUPPER FRIDAY

Members of the American Legion
Auxiliary and their husbands will
enjoy a birthday pot luck supper
Friday evening, Feb. 24, at 6:30, at
the American Legion home. Cards
will be played following the supper.

LENTEN LUNCHEONS AT ST. IGNATIUS

The St. Ignatius' Woman's Auxiliary and the St. Ignatius Mothers and Teachers club will give weekly luncheons at noon on Wednesdays during Lent. These luncheons have proved very popular in Antioch in years past. They are held in the parish house dining room. The public is invited.

Thursday Youth Recreation

There will be both ping pong and shuffleboard recreation offered at St. Ignatius' during Lent for 7th and 8th grade pupils and high school students. Due to a crowded Lenten calendar, it is necessary to confine meetings of both grammar schools and high schoolers to one afternoon, Wednesdays.

ANTIOCH YOUTH
ELECTED TO MYF
DISTRICT OFFICE

Robert Kufalk, former president of the MYF at The Methodist Church in Antioch was elected to District Cabinet of this area at the Mid-Winter MYF Institute held this past weekend in Lake Bluff. His election represents the first time that an Antioch young person has been on the District Cabinet since its beginning.

"Bob" was elected to the job of First Commissioner which is one of the most important jobs on the cabinet. He will have charge of worship and Evangelism for this district.

The local church was proud to have one of the largest delegations, second only to Waukegan and the host Lake Bluff Church, at the institute which closed its session on Sunday afternoon with a Communion Service. Seventeen young people from Antioch attended the 2-day Institute which began Saturday morning with an address by Bishop Ralph Magee.

JUDGE MINARD HULSE
SPEAKER AT P.T.A.

Judge Minard Hulse, of Waukegan, spoke before the Parent Teachers Association at a meeting Monday evening, his subject was "The Boy and Girl in Court." Plans for a card party and dance were made at the business meeting which will be sponsored by the fifth, sixth and seventh grades with Mrs. Charles Wertz as chairman. The third grade won the room count, with the largest number of parents attending. Mrs. M. C. Cain lead the community singing. Refreshments were served by Mrs. Laurel Van Patten and her committee.

W. S. C. S. LUNCHEON
WELL ATTENDED

The Women's Society of the Methodist Church held the first of a series of luncheons at the church Tuesday. Over a hundred persons were served. This is the beginning of a monthly luncheon series which has been planned as a means of raising part of the money which they have pledged towards the church building fund.

Mrs. A. P. Bratrude and her committee deserve much praise for the efficient handling of the luncheon. The next meeting of the Society will be held Wednesday, March 1. A dessert luncheon will be served before the business meeting.

HYDROGEN PEROXIDE

LENTE SERVICES ANNOUNCED
FOR ST. PETER'S CHURCH

The Lenten period began yesterday with services both morning and evening at St. Peter's Catholic church in observance of Ash Wednesday.

The Rev. Francis Flaherty will conduct evening services on Wednesdays and Fridays during Lent with the Station of the Cross, sermon and benediction on Wednesdays and the Novena service and sermon on Fridays.

MISS SMOC COMPLETES
STUDENT NURSE COURSE

Miss Joan Smoc, daughter of Mr. and Mrs. Louis Smoc, of Lake Marie recently completed her preclinical period as a student nurse at the Evanston hospital. She received her cap at a candle light ceremony on Saturday, February 18, at 8 o'clock, at Patten Memorial hall in Evanston.

SPOT ANNOUNCEMENTS

Pledges and gifts to the Building Fund of the Methodist Church in Antioch passed the \$14,000 mark this week with the receipt of several additional gifts to the Fund. There is already over \$5,000 in cash on hand. Meanwhile attendance figures in the Church School indicated the tremendous need for an addition. There were 224 registered as attending Church School this past Sunday morning.

Mr. Otto Milz, of Loon Lake and Mrs. Gus Milz and son Phil, of Skokie, left Sunday for a vacation in Florida. On their return trip they plan on visiting Washington D. C.

Mrs. Gibbs Lands 49-lb. Cobia in Miami Turney

Fishing in the 15th annual Metropolitan Miami Fishing Tournament, Mrs. Genevieve Gibbs of Antioch, took the lead in the general division recently, when she landed a 49 lbs. 8 oz. cobia, while fishing off the 7 mile bridge in the Florida Keys.

Jointly sponsored by the Cities of Miami and Miami Beach, to the tune of \$15,000, the tournament opened on December 18th this year, and is scheduled to run through April 16th, a total of 120 fishing days. Awards are made for top catches of 31 different species of fish, each in four separate divisions: general, which includes trolling and still fishing; plug casting; fly casting; and spinning.

G. Gebhardt Dies in Chicago

Mr. and Mrs. Walter Gebhardt attended funeral services for Mr. Gebhardt's brother, Gus Gebhardt, who passed away at his home in Chicago Monday, Feb. 13. Mr. Gebhardt for several years made visits to Antioch and had many friends here. Burial was in Chicago.

Antioch P. M. A. Elects Officers and Delegates

The Antioch local of the Pure Milk association recently elected as officers Wilbur Hunter, president; William Walker, Lake Villa, vice-president; H. A. Tillotson, secretary-treasurer.

Harold Christensen was chosen director, and Thomas Exxon, and George Wurster named delegates to the annual meeting in Chicago in March. Their alternates are Peter Toft and William Barthel of Salem.

Shell Oil Now Contains FOA-5x, Reduces Clogging

W. V. Lahti, Shell Oil distributor in this area has announced that the Company's No. 3 fuel oil now contains a material called FOA-5x to reduce clogging in oil burner strainers.

FOA-5x is a radical departure from anything that has heretofore been used by refiners to improve fuel oil quality, Lahti says. It retards the formation of rust and scale in storage tanks.

It is an important addition to Shell's No. 3 fuel oils because for years screen clogging has been the most common cause of oil burner shutdowns.

What the oil industry has been trying to solve for 15 years, Shell has produced in FOA-5x which has been tested with satisfactory results for three years in thousands of domestic oil burner installations.

Parents Of Daughter

Mr. and Mrs. Kenneth Crowley are the parents of a daughter, Charlotte Ann, born Thursday, February 16, at St. Therese hospital, Waukegan.

Card Party Success

There was a good crowd at the pre-Lenten card party Sunday evening given by the Altar and Rosary society at St. Peter's hall. Prizes were awarded and refreshments served.

THANK YOU

I wish to extend my sincere appreciation and thanks to Mayor James McMillen and all his helpers, for removing the snow from my driveway.

Mrs. Mollie Somerville

CARD OF THANKS

We wish to express our sincere thanks to our friends and neighbors for the many acts of kindness and sympathy shown and to thank the Antioch Rescue squad for their kind assistance during our recent bereavement in the loss of our dear mother.

The Bartlett Family

CARD OF THANKS

I wish to thank all my friends, the children from Channel Lake school and St. Peter's school for letters, gifts and remembrance sent me while I was in the hospital.

Reeves Drugs

Walgreen Agency Drug Store

901 Main Street Phone 6

ANTIO

Ice Storm Means Worry, Work for Power Line Workmen of P.S. of I.

Public Service Company of Northern Illinois serves electricity to about 450,000 industrial, business, residential, and farm customers in northern Illinois outside the Chicago City limits.

These customers live in about 350 suburbs and outlying communities stretching from the Wisconsin line on the north to Lombard on the west and on south and southwest to below Kankakee, Pontiac, Streator, Lacon and Tolon.

About 25,000 of these customers live on farms.

The company's electric service area covers 6,200 square miles.

The population of this service area is approximately 1,500,000 people.

The company's two main power stations are at Waukegan and Joliet. There is a very small hydro-electric plant at Kankakee.

To get the power produced at these stations to you, we transmit it over 1800 miles of high voltage lines (33,000 volts to 132,000 volts) to dozens of strategically located substations and distribution centers. From these substations and distribution centers it fans out over another 12,000 miles of lower voltage feeder and distribution lines. And from these distribution lines it gets to you via your individual service drop (You know, the wires that come from the pole in the alley to the brackets attached to your house). Nobody knows how many miles of service drops there are but you could get a rough idea by multiplying the length of the one in your back yard by 450,000.

The company has approximately 600 linemen to maintain these lines and to repair them when they are damaged.

When a storm like last week's hits, how do we do it? Those 600 linemen really pitch in and work almost continuously around the clock repairing the broken wires.

They are backed up by several hundred service clerks, maintenance men, salesmen, stenographers, engineers, dispatchers, telephone operators (yes, and vice-presidents) who help handle complaints, dispatch crews, operate coffee and sandwich bars, and do other emergency work.

But there is a definite pattern to all this apparent confusion. First things do come first.

For example, let us imagine that your home town is plastered by an ice storm. Trees, power lines, telephone wires, etc., really get flattened. Where do we start?

First come any downed wires that might be live and thus a public hazard. We deaden those fast.

Next come the transmission lines feeding your town. (There is no use to fix up the distribution lines in the town if the transmission lines back of them are dead).

Next come the distribution lines in your town. Who gets preferred treatment? That's easy—the city water pumping station, fire and police protection, sanitation facilities, the local hospital, and other services such as newspapers, radio stations, etc., vital to the protection of public health and safety.

After that comes the lines serving homes and businesses. We fix the primary wires first to pick up the largest areas with the most customers as quickly as possible. Then come the smaller circuits, maybe a square block or two of homes. And finally the individual house where the service drop is down. When all customers are restored to service, we finally pick up the street light circuits that are still out.

Sure, we know it makes you a little sore if your lights are out and all your neighbors' lights are on. But figure it out for yourself. Your service drop is lying on the ground. You're one guy. A few blocks away several hundred homes are blacked out. By fixing their broken circuit, several hundred homes are restored to service. When all such circuits are fixed, we backtrack and pick up the individual service drops like yours. Maybe you don't like waiting a few more hours. Well, we don't like it either and we are sorry, but we think it makes sense.

Now, you ask, why don't we put our lines underground? Well, we could. But underground lines cost many times more than overhead lines. Somebody would have to pay for such an additional huge investment. That somebody is you and me. Our electric rates would have to be much, much higher to cover the investment cost of underground lines.

Our policy always has been to give the best possible service at the lower possible rates. So, our lines are mostly overhead, and we take our chances on the rare ice storms like the one last week. Incidentally, this was the second really bad one in nearly a generation. The other one was the New Year's storm of 1948. These two cost the company about \$250,000 each—mostly in labor and materials. The figure does not include loss of revenue to the company because of service being out.

Maybe you have got one more question. Why does an inch of ice on a power line or tree limb cause such a mess of broken wires?

Those power lines in your alley

Wilmot High School Bond Issue Defeated

Balloting for the issuance of \$350,000 of bonds for the erection of additional school space at Union Free High school, Wilmot, Wisconsin, Tuesday and Wednesday of last week resulted in a turn down for the proposition. The total vote, which was cast all day Tuesday and Wednesday until noon, was 2780, with five spoiled ballots. 1402 were cast against the measure and 1313 for it.

This was an unexpected result, since the same proposition was carried some months ago, and a technicality in the arrangement of the ballot was the reason for a second election.

Some agitation for placement of the school in a more central location with regard to population, is regarded as a major reason for the failure of the measure to carry.

III. Veterans Taking On-Farm Training Must Report 1949 Earnings

Illinois veterans who are taking institutional on-farm training under GI Bill of Rights were warned to day by the Illinois Veterans Commission to make a report of their 1949 earnings by March 1, 1950 or face suspension of their subsistence.

The reports must be made to the Veterans Administration so they can adjust each veteran's subsistence for the current year (1950). Reports should cover only the income from productive labor for the calendar year of 1949. They should be based upon farm accounting records kept by the veteran trainee as part of his course of instruction.

Nearly 13,000 veterans are taking institutional on-farm training in Illinois and of this number 93 percent are operating their own farms.

While these reports must be made to the VA, service officers of the Illinois Veterans Commission can and will assist veterans in meeting the deadline by furnishing information or direct aid.

In Lake county veterans should contact the IVC service officer at Legion Home in Waukegan.

Drooping Boots

Idle riding boots need attention to prevent them from drooping over. Keep shoe trees in the foot of the boots and stuff crumpled newspaper into the boot leg to preserve its shape.

British Coins

There are eight British coins in common use, whereas in the U.S. there are only five.

are strung on poies that are usually (not laws) about 150 feet apart. One span of three wires 150 feet long, when coated all around with one-half inch of ice, is carrying about 250 pounds of extra dead weight. A one-inch coating would increase the weight on that same span to about 800 pounds—nearly one-half ton.

And did you know that a tree fifty feet tall with all its branches coated with just one-quarter inch of ice is supporting a dead weight of about 12,000 pounds—six tons. No wonder the tree limbs fall on our power lines.

Rasputin and Palmer Head Wrestling Card At Libertyville Saturday

Ivan Rasputin, the rugged Russian heavyweight and Walter Palmer, of Chicago are paired in the sixty minute main event in the Libertyville High school gym next Saturday night. The main event augmented by an all star show will be to a two out of three fall verdict.

Rasputin, who walks and acts like a bear, is known for his devastating bear hug. This grip when clamped on a foe can squeeze the victim to submission. The bearded Ivan is rated one of the most powerful wrestlers in the game.

Whether Rasputin can clamp his bear hug on Palmer remains to be seen. Walter has a spinning leg hold that he has perfected, ready for the "Terrible Ivan". Libertyville fans have seen Palmer in action many times and they know that Walter can always take care of himself in any tough situation, however Rasputin's recent appearance in Chicago and the surrounding territory have shown him to be in the best shape of his career.

Rasputin is like a lone wolf, inasmuch as he stays to himself and is a merciless grappler. When he has an opponent in his grip he does not relax and he uses brutal tactics. Both Palmer and Rasputin are in their stride, each after a shot at the heavyweight crown of Lou Thesz.

An attractive match between Rudy Kay and Al Williams facing Tarzan White and Jim McMillen gives north shore fans the best Australian Tag team bout they have witnessed in some time. Kay and Williams are an unruly duo and rated the best tag team pair in the country. However the team of McMillen and White brings together two former famed football stars who each have a sturdy background of gridiron exploits. McMillen is a former Illinois University star and White played with the University of Alabama and later with the New York Giants. McMillen also played professional football with the Chicago Bears.

The Tag team match should be a furious affair as neither Kay nor Williams are lacking in courage and each becomes unruly when the going gets tough. Pierre LaSalle will be on the card against a worthy foe.

Tickets are available at the Scotty's Restaurant; Taylor's Drug store; VFW Post and Sally's Ringside Inn in Round Lake Park. They are popularly priced.

Blames Germs More Than Bad Diet for Pig Deaths

Faulty nutrition of sows and gilts has been over-rated as a cause of baby pig deaths, in the opinion of a Minnesota research veterinarian. Dr. George A. Young, Jr., of the Hormel foundation at Austin, Minn., says unidentified virus diseases and other infectious conditions are more often the major cause of fatal pig ailments than errors in feeding and management.

John Paul Jones

One of our greatest naval heroes, John Paul Jones, in 1781 was invited by Catherine the Great to reorganize the Russian navy and was given the rank of admiral.

THIS COUPON GOOD FOR 10¢
Toward the Purchase of One Pint of
SHURTLEFF'S ICE CREAM

Signed _____ Address _____

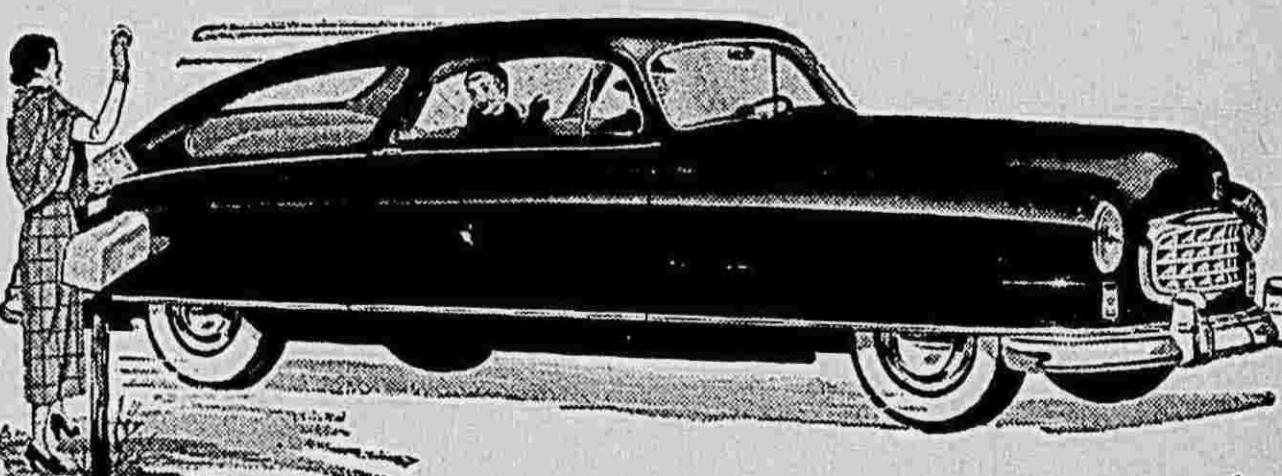

A big promise? Yes, and one you'll find comes true the first time you ride a 1950 Nash Ambassador.

Here is something absolutely new in the design, construction and balance of a fine car.

For here is Airflyte Construction of double rigidity. Note how much steadier it rides rough roads . . . how much smoother it is, with soft coil springs cushioning all four wheels.

And never was a moving car so quiet . . . so free of wind roar, thanks to Airflyte design . . . so free from body-bolt squeaks and rattles.

No, nothing on earth rides like the 1950 Nash Ambassador—nor gives you so much fine-car value. Even a Custom model, tailored to your order and equipped with Hydra-Matic Drive, costs as much as a thousand dollars less than other fine cars. See your Nash dealer.

No Other Car at Any Price Offers What a Nash Ambassador Does

DELIVERED HERE

STAR Metal Boats

The flat bottom Standard Resort has proved its value season after season as a first class, low-priced fishing, family, and pleasure resort boat. Of similar construction to other STAR boats, this model differs mainly in that it has built-in air chambers instead of the separate, removable type. These chambers are riveted and soldered to the sides and bottom of the boat in the bow and stern serving as seats.

Included are such features as sturdy angle-iron gunwale, wood floor-racks, anchor pulley, wood motor block, oar-locks, exclusive press-forged keel, and heavy channel steel framework. Finished in aluminum and green. Oars are \$6.00 per pair extra.

Antioch, Illinois

We can't forget

Your money pays telephone wages

For a 5-day week

Top-Rate Antioch Telephone Operators earn an average of . . . \$49.61

Average of all Antioch Telephone Operators is . . . \$43.69

Compare it—for steady work

She gets seven paid holidays a year.

She is entitled to paid vacations of two weeks with her second year of service. (Three weeks with her 15th year.)

She is protected by a liberal sickness and death benefit plan, without a penny's cost to her.

Operators and all telephone people are covered by a retirement plan which includes a \$100 a month minimum pension including Social Security.

Telephone wages are ahead of living costs

Illinois Bell operators have had nine general wage increases since 1940, including three since the war. These were in addition to the regular "progression" raises. Their earnings have increased 139%, while living costs are up only 74%.

This is one big reason why we had to increase telephone rates in 1949.

In our bargaining to determine whether we should agree to any further wage increases, we are mindful that it's your money that pays the bill.

ILLINOIS BELL TELEPHONE COMPANY

Write or phone for free booklet—"The Telephone Company is a Good Place to Work."

She enjoys steady work.

Now, her CWA-CIO union demands more.

In considering these demands, we can't forget that your money pays telephone wages.

"The Telephone Company is a good place to work"

You've heard that often. Here's why:

The operator gets regular raises from the beginning until she reaches the top scale. Three out of four operators will get such raises this year—without asking for them, without striking for them.

The Time The Anti-Trust Lawyers Killed Their Own Case!

For ten years the anti-trust lawyers have been attacking the business methods that make it possible to give the public the best quality food at the lowest prices.

In our last ad we told you how Federal Judge W. H. Atwell, at Dallas, threw the anti-trust lawyers and all their inflammatory charges against A&P right out of his court.

But the anti-trust lawyers were not satisfied with decisions against them by three federal judges.

They still wanted to destroy A&P.

TheyAppealed to New Orleans

So they appealed Judge Atwell's decision to the three-judge Circuit Court at New Orleans.

One of the three, Judge Curtis L. Waller, agreed with Judge Atwell that the case should be dismissed.

The other two members of the Circuit Court, Judge Joseph C. Hutcheson, Jr., and Judge Allen Cox, although saying the case should be tried, agreed that the indictment was vague and contained many allegations which were inflammatory.

They decided that Judge Atwell at Dallas should protect A&P from these inflammatory allegations and could order the anti-trust lawyers to supply the defendants with a bill of particulars.

So the case was back in Dallas again.

Judge Atwell, carrying out the decision of the Circuit Court, struck out the inflammatory matter.

He said that without this inflammatory and prejudicial matter the Grand Jury might never have returned the indictment.

Judge Atwell said to the anti-trust lawyers:

"There are many statements in the indictment which are not at all in violation, and are highly prejudicial and inflammatory."

The anti-trust lawyers objected. They advanced an amazing argument. They said that the removal of their inflammatory allegations (which all four judges had agreed did not belong in the indictment) destroyed their case.

Judge Atwell instructed the anti-trust lawyers to furnish the court with a bill of particulars. In short, he wanted specific charges instead of vague generalities. He set the deadline for furnishing this material at January 15th, 1944.

When the anti-trust lawyers twice asked for more time, pleading sickness among their staff, Judge Atwell extended the time to February 25th because he believed that they were honestly trying, in good faith, to prepare the material he had requested.

Actually, it developed, they were using the time to get ready to drop the case in Dallas and start it in another court.

They Quit in Dallas

On February 26th, while the judge was still waiting for his answer, and without any previous notice to him, the anti-trust lawyers gave a story to the newspapers in Washington, announcing that they were dropping the case in Dallas.

They said that it was their intention "to file a substantially similar suit in an appropriate jurisdiction at an early date."

The "early date" turned out to be the same day.

As soon as one anti-trust lawyer killed the case in Dallas, another anti-trust lawyer filed a new case in Danville, Illinois. This new case made most of the same allegations that had been made and dropped in Dallas; and that are being made against us today.

So now, according to the anti-trust lawyers, all four judges who had ruled on the Dallas case were wrong.

Despite defeats in three federal courts in widely separated parts of the country, they continued their campaign to destroy A&P.

When Judge Atwell heard of their action he ordered the anti-trust lawyers to prepare an order for his signature dismissing the Dallas case.

In signing this order he said to the anti-trust lawyers:

"This nolle prosequi does not have the sanction or approval of this court. That is not necessary, nor that the government ask for the court's approval."

"It is, however, a matter that may be presented to the other court and may be of interest to the people at large."

So after their efforts to destroy A&P had failed in Washington, D. C., Wilson, North Carolina, and Dallas, Texas, the anti-trust lawyers moved on to Danville, Illinois.

They were still determined to destroy this company which had brought more and better food at lower cost to millions of American families.

They Were Wrong Three Times Before!

Three times the anti-trust lawyers went into federal courts and made serious and damaging charges against A&P.

Three times federal judges said the anti-trust lawyers were wrong and rendered decisions against them.

In previous ads in this series we told you about these other anti-trust "cases" involving us, which the judges said were not cases at all.

We think you should know about these previous cases, because once again the anti-trust lawyers are making damaging "allegations" that could seriously affect our business if they were believed by the public.

There was the time in Washington, D. C., when they said we and other good American citizens conspired to fix the price of bread in that city.

This was the time Federal Judge T. Alan Goldsborough ruled that A&P and the other defendants did not even need to put in a defense. He instructed the jury to bring in a verdict of "not guilty".

It was the time Judge Goldsborough said to the anti-trust lawyers:

"If you were to show this record to any experienced trial lawyer in the world, he would tell you that there was not any evidence at all."

"Honestly, I have never in my over forty years' experience seen tried a case that was as absolutely devoid of evidence as this. That is the honest truth. I have never seen one like it."

There was the time in Wilson, North Carolina, they said we and other good American citizens conspired to fix prices paid farmers for their potatoes.

This was the time Federal Judge C. C. Wyche directed the jury to bring in a verdict of "not guilty".

It was the time Judge Wyche said to the anti-trust lawyers:

"In my opinion there is no testimony produced from which it can reasonably be inferred that the defendants entered into a combination to depress or lower the price of potatoes."

"I might say that I never tried a case in my life where a greater effort, more work, more investigation had been done, combing almost with a fine-tooth comb to gather evidence."

"But, as was said a long time ago, you can't make brick without straw, and you can't make a case without facts."

There was the time in Dallas, Texas, when they made practically the same "allegations" they are making today.

This was the time Federal Judge W. H. Atwell ruled that the case should not even be tried. He said that the indictment contained inflammatory statements that he would not permit to be presented to a jury.

It was the time Judge Atwell said to the anti-trust lawyers:

"I know of no American rule, and I wish I had the power to underscore the word 'American,' which permits us to try a man because of his size."

"If I thought I was presiding over a court and that I might have to sentence some person because he was a great big fellow, or because he was a Lilliputian, I would feel like resigning. God knows we don't want it ever to occur in America that the size is going to determine whether a man is guilty or innocent."

**When you have an Automatic GAS Clothes Dryer
You're through with washday drudgery!**

No More
Lugging Heavy Baskets

Think of the washday energy you'll save when you aren't wrestling with heavy baskets of wet laundry. When you have an Automatic Gas Clothes Dryer you just take the clothes from the wringer or spinner, toss them into the dryer, set the automatic time control and relax while clothes dry in minutes.

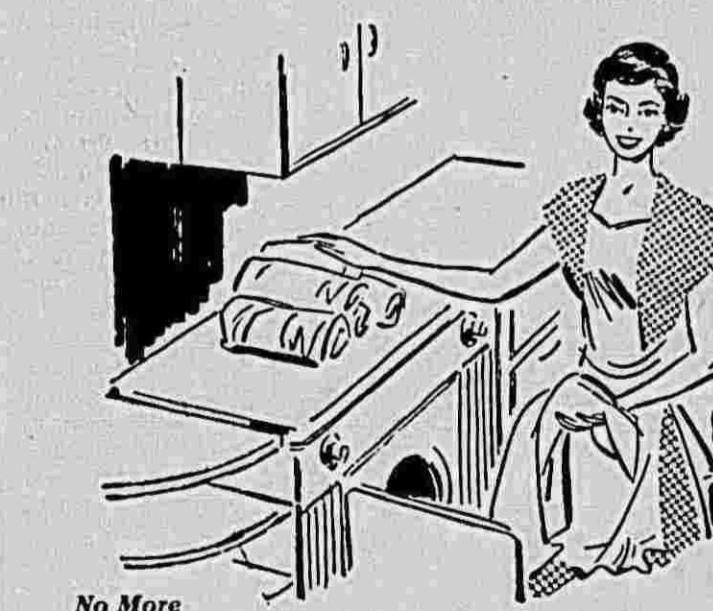

No More
Clothesline Disasters

How many times have you just hung the last piece of laundry . . . only to have the line break? There are no knots to slip in an Automatic Gas Clothes Dryer. And there is no soot or smoke . . . no insects or dust in a dryer to take the "cleanliness" out of a fresh laundry.

No More
Battling the Elements

It's always sunny when you have an Automatic Gas Clothes Dryer. You won't wait for the weather . . . you can wash whenever you please. As the clothes tumble dry a special lamp bathes them in a healthy ultraviolet light and releases ozone . . . clothes come out with a fresh-as-clover odor. And, though they're sun-dried, clothes are never sun-faded when you have a dryer.

No More
Sprinkling Piece by Piece

Clothes come from the dryer with just the right amount of uniform dampness . . . they're not spottily sprinkled by hand. They're evenly damp-dry. And because your dryer saves you so much time you can take the clothes right from the dryer to the ironer . . . and finish your whole laundry in one day!

**30 Day Trial Offer**

Try a Gas Clothes Dryer in your own home for 30 days . . . if you are not completely satisfied you may return it and your 10% down payment will be refunded.

This offer for a limited time only.

10% down and as long as 24 months to pay the balance with your Service bill.
